Welcome to Playschool!! We will soon be off to a great start and the children and teachers will be settling into the routine of having FUN! Please sign in and pick up on time. It makes things run so smoothly.... We will be learning the names of new friends and how to take care of our playschool. We hope to enjoy to some early fall weather and look for signs of autumn on our beautiful grounds. We will be sharing about our families and ourselves.

When the weather turns cooler, don't forget to put your child's name on everything that is removable! To a preschooler, all white sweaters and blue jackets look alike!
